

Fairlington Presbyterian Church, Alexandria Virginia

The Pastor and Elders of Fairlington Presbyterian Church commit themselves to the following: Inspired by the Bible and the teachings of Jesus, acknowledging the long history of racism supported by an ideology of white supremacy in our community and country, the Session of Fairlington Presbyterian Church vows to:

- Condemn the taking of Black lives and grieve their loss
- Defend the right to peaceful protest and call for grievances to be addressed
- Rise up and speak out against injustice and racial profiling
- Stand beside our brothers and sisters of color in protesting structural racism
- Demand reform of the criminal justice and legal systems
- Advocate for an overhaul of unjust healthcare, housing and economic policies that privilege white people.

We commit to these actions because we know that as children of God all are equal and worthy of love and respect.
